Documentation**

Age	Date:	Fact:	Document or Source of Information:
		<p>The year is not known, but Chief Tabby brought his dead son, Tommy Tabby, over his pony, from Strawberry Valley to Bishop Joseph Stacy Murdock. Chief Tabby asked Bishop Murdock to bury the boy by Christian rights.</p> <p>Tommy Tabby was buried in the Todd family plot under a big pine tree. The boy was buried positioned w/ his head north & his feet to the south. When the burial was complete, Tommy's pony was killed, laid over the grave & burned with a cedar log pier.</p> <p>This story, to me, depicts the great respect that Chief Tabiona (Tabby) had for the peacemaker, Bishop Joseph Stacy Murdock.</p> <p>This burial is in the Heber City cemetery, Wasatch County, Utah.</p>	<p>Informants & References:</p> <ol style="list-style-type: none"> 1.
